

The
OC EMPORIUM
THE OREND A FOUNDATION

Vendor Guide

Volume II | 2023

Welcome to the 2nd Annual OC Emporium Tampa's Premier Diverse Vendor Showcase

Welcome back to The OC Emporium, Tampa's Premier Diverse Vendor Showcase! As a second-year event, we are excited to continue connecting you with minority, women, veteran, and LGBT-owned businesses in Tampa Bay. This year's event was even more immersive, giving you the opportunity to test out each vendor's product or service beforehand. We believe this approach allows you to make better-informed decisions about which vendors to work with for your future events.

Inside the 2nd Issue of the OC Emporium Vendor Guide, you will find a list of highly qualified, pre-vetted vendors in the events industry showcased at this year's OC Emporium. As a bonus, we've included our 2022 vendor showcase list of vendors to spark continued connections.

We believe that the event industry is a perfect place to start to engage with diverse businesses, as most companies, regardless of their industry, host at least one event each year in which they are commonly searching for caterers, photographers, good entertainment, etc.

As a second-year attendee, we challenge you to use this vendor guide as a resource to engage with more diverse vendors in Tampa Bay. Whether you have a vendor list or are using this one as a starting point, this guide gives you the power to affect change within our community.

Here are the steps to engage impactfully:

1. Bookmark this guide and allow it to serve as a resource to connect with vendors.
2. Utilize at least three (3) of the included businesses during an upcoming event over the next twelve (12) months.
3. Connect with us and share your experience with these vendors, so we can continue to uplift and guide their success.

The OC Emporium is still only part of what The Orenda Foundation, Inc. will create. Obstacles like lack of access to capital, decision-makers, and extensive business knowledge prevent diverse companies from investing in their company, meeting people who can patronize their business, and making better strategic decisions. As a second-year event, we continue to be laser-focused on addressing these obstacles and supporting diverse business owners. Stay tuned for more updates on how we will continue to impact our community positively.

Happy Connecting,

LaKendria Robinson, Founder + Executive Director
The Orenda Foundation, Inc.

Meat at the Board

CATERING

Overview

Meat At The Board specializes in tailored charcuterie board designs and grazing tables. We begin our process with making each board by hand; sourcing our wood from local vendors. Our boards are uniquely different which allows for a blank canvas in which we create our charcuterie. Once the meats and cheeses have been enjoyed, our signature is what is left behind; a new blank canvas for a new gathering.

Tru Vegan Creamery

CATERING (DESSERT)

Overview

In 2017, our Founders wanted dairy-free ice cream but had nowhere to go. So, their love for ice cream, vegan lifestyles, and entrepreneurial spirit collided to create Tru Vegan Creamery. From traditional scoops to our innovative Lux Slushes, we are the go-to spot for dairy-free frozen desserts on the go. Our first location is in the heart of their hometown, the beautiful Tampa Bay, FL in the historically black neighborhood Tampa Park. Tru Vegan is truly a labor of love!
